1. **Why do you want to participate at the ICC?**
 - Because my rights were violated
 - Because I wanted my voice heard before the ICC and other bodies as well.
 - Because I do not want this kind of violation to occur in future.
 - Because I want any assistance as I am now left with children to take care of.
2. **Do you think a criminal procedure in Uganda will take into account your concerns? Why? If not, why?**
 - The Criminal Court in Uganda will not respect our rights because it will not listen to our views.
 - This Criminal Court will not be in position to give genuine compensation and reparation in future.
 - This may as well make us to go back into IDPs camp because the government can not fully guarantee our security.
3. **What should a Ugandan Court do to respect your needs?**
 - It should be able to compensate and give reparation through justice.
 - It should arrest Kony and his commander so that they can prosecute them.
 - It should carry out criminal investigation on both the LRA and the government of Uganda.
4. **Do you want the LRA trial to be in Uganda or at the ICC? Why?**
 - It should be the ICC to do the trial because they are capable since they have everything in place.
 - Uganda alone will not handle this case because they are unable. If they were then they would have done it before the ICC came in.
