The Convention and its Optional Protocol were adopted by the General Assembly in its resolution 61/611 of 13 December 2006 and opened for signature, ratification and accession on 30 March 2007. In accordance with its article 45, paragraph 1, the Convention entered into force on 3 May 2008. In accordance with its article 13, the Optional Protocol entered into force at the same time as the Convention, in accordance with article 13, paragraph 1, of the Optional Protocol.

2. A list of States parties to the Convention and a list of States parties to the Optional Protocol are contained in annex I of the present report.

B. Opening of the fourth session of the Committee

3. The session was opened by Ronald McCallum, Chairperson. Mr. McCallum introduced Safak Pavey, the newly appointed Secretary of the Committee, and thanked the two leaving Committee members, György Kőnczei and Cveto Uršič.

4. Opening remarks were presented by Ibrahim Wani, Chief of the Africa Branch at the Office of the United Nations High Commissioner for Human Rights.

C. Adoption of the agenda and organization of work

5. The Committee reviewed and adopted the provisional agenda (CRPD/C/4/1/Rev.1), as amended. The Committee also adopted the report on its third session (CRPD/C/3/2).

D. Intersessional activities

6. The Committee decided to postpone to the fifth session the adoption of its report on intersessional activities.

E. Membership of the Committee

7. The Committee on the Rights of Persons with Disabilities was established in accordance with article 34, paragraph 1, of the Convention, with its first 12 members elected by the Conference of States Parties on 3 November 2008. The second elections took place on 3 September 2010 for the six seats on the Committee for which members' terms were due to expire on 31 December. Since the number of States parties to the Convention had reached 80, in accordance with article 34, paragraph 2, of the Convention, the membership of the Committee was increased by six seats; elections for those seats were also held on 3 September 2010. Of the sitting members, Lotfi Ben Lallahom, Edah Wangechi Maina, Mr. McCallum and Germán Xavier Torres Correa were re-elected. The new members will take up their duties on 1 January 2011.

8. The list of the members of the Committee as at 8 October 2010, indicating the duration of their terms of office, is contained in annex II to the present report. All members attended the session.

II. Action taken during the fourth session

A. Working methods

9. The Committee held discussions on various issues related to its working methods. The discussions involved, inter alia, the following issues:

- (a) Registration of individual communications;
- (b) How to deal with requests from non-governmental organizations (NGOs) for meetings with Committee members;
- (c) Submission of State party reports, the organization of their review and the dialogue with the State party representatives;
- (d) Designation of Rapporteurs within the Committee;
- (e) Representation by Committee members to other bodies.

10. The Committee decided to amend parts of the overview of the working methods of the Committee on the Rights of Persons with Disabilities. A new draft will be submitted for approval to Committee members at the fifth session of the Committee.

11. The Committee decided to adopt and submit its report to the General Assembly in 2011 and to request two sessions of two weeks' duration each year, each session to be held in tandem with a one-week session of a pre-sessional working group.

B. Composition of the Bureau

12. The following members served as officers of the Committee.

Chairperson:	Ronald McCallum (Australia)
Vice-Chairperson:	Mohammed Al-Tarawneh (Jordan)
Vice-Chairperson:	Ana Peláez Narváez (Spain)
Vice-Chairperson:	Jia Yang (China)
Rapporteur:	Edah W. Maina (Kenya)

C. Day of general discussion

13. On 7 October 2010, the Committee held a day of general discussion on article 9 of the Convention - accessibility. The discussion was attended by representatives of States parties, civil society, and other interested parties. The day of general discussion was opened by Mr. McCallum, Chairperson of the Committee, who highlighted that access was crucial for persons with disabilities to be able to participate fully in society, including access to buildings, public transportation, education, employment and information. The keynote address was delivered by Mr. Al-Tarawneh, on behalf of Prince Ra'ad bin Zeid of Jordan.

14. Presentations were made by representatives of intergovernmental organizations, NGOs, disabled people's organizations, States and academia.

15. The discussions highlighted a view shared by the participants that the Convention refers to physical, social and cultural environments; that accessibility as provided for in article 9 is more than physical access, but encompasses also information, technology, social and economic life, and confers obligations on both public and private actors; that accessibility is a cross-cutting issue in the Convention; that a gender-perspective on accessibility is needed; that undertaking measures is an immediate obligation for States; and that standards and policies require an adequate budgetary allocation for implementation. The Committee decided to establish a working group on article 9 to draft a general comment on accessibility. The time table of the day of general discussion is available at <http://www.ohchr.org/EN/HRBodies/CRPD/Pages/DGD7102010.aspx>

D. Other decisions

16. The Committee took a number of other decisions, which are listed in annex IV.

E. Future sessions

17. In accordance with the calendar of conferences adopted by the General Assembly, the Committee confirmed the dates of its fifth session, from 11 to 15 April 2011, and its sixth session, tentatively from 19 to 23 September 2011, in Geneva.

18. The Committee decided on a provisional list of items to be placed on the agenda for its fifth session

III. Conference of States Parties to the Convention

Third session of the Conference of States Parties

19. The third session of the Conference of States Parties was held in New York from 1 to 3 September 2010. Members of the Committee attended the session and participated as panellists in various sessions: Mr. McCallum, Chairperson of the Committee (who made one of the opening statements of the meeting), Ms. Peláez Narváez, María Soledad Cisternas Reyes, Monsur Ahmed Chowdhury and Mr. Al-Tarawneh.

20. The theme of the Conference of State Parties was “Inclusion of persons with disabilities through the implementation of the Convention on the Rights of Persons with Disabilities”. This theme was explored through two substantive round-table discussions, one on inclusion and living in the community and one on inclusion and the right to education. An interactive informal meeting with civil society, entitled “Emerging issues: persons with disabilities in situations of risk and humanitarian emergencies”, was also held.

Annex III

Decisions adopted by the Committee during its fourth session

1. The Committee decided to establish a working group on accessibility to public transportation and on airline policies composed by Mohammed Al-Tarawneh (Chair), Jia Yang, Lotfi Ben Lallahom, and Monsur Ahmed Chowdhury.
2. The Committee decided to include Ronald McCallum and Amna Ali Al Suwaidi in the Working Group on a draft general comment on article 12 of the Convention.
3. The Committee decided to make the names of Country Rapporteurs public.
4. The Committee decided to appoint Amna Ali Al Suwaidi as the Country Rapporteur for the dialogue with Tunisia.
5. The Committee decided to appoint Germán Xavier Torres Correa as the Country Rapporteur for Spain.⁶ The Committee decided to establish contact with the United Nations Messenger of Peace, Stevie Wonder, commencing with a general introductory letter with good wishes.
7. The Committee decided to reserve time early in each session to interact with NGOs. It also agreed it would welcome lunchtime activities or briefings that they might wish to organize during sessions.
8. The Committee decided that it would normally examine State party reports in the chronological order of receipt.
9. The Committee decided to review the initial report of Tunisia over three three-hour meetings and to adopt a list of issues on the initial report of Spain at its fifth session, and to conduct a dialogue with representatives of Spain about the report at its sixth session.
10. The Committee decided to allow 20 minutes for the introduction of State party reports by representatives of the State party concerned, who should focus on updating the information contained in the State party report. It further decided that the Country Rapporteur would be given the floor first and take the lead in posing questions to the delegation, which would be organized by clusters of articles.
11. The Committee decided that invitations addressed to the Committee or to individual members which come before or during a session will be discussed at that session; that invitations received after the close of a session would be sent to the Secretary to consult with the Chair or Bureau; that, if appropriate, the Chair would nominate a representative to participate, taking into consideration the criteria of region, gender, area of expertise, language skills and the need for rotation among members. Such decisions would be recorded in the reports of the Committee.
12. The Committee decided to add the question of its participation in the next Conference of States Parties on the agenda of its next session.
13. In view of an expected dramatic increase in the number of State party reports submitted to it, the Committee decided to request the General Assembly to approve the holding of two annual sessions of two weeks' duration each to enable it to examine up to four State party reports per session. Each session would be held in conjunction with meetings of a pre-session working group, to be composed of five members of the Committee, which would adopt lists of issues on reports to be examined at a future session.

14. The Committee decided to invite the Special Rapporteur on disability to its fifth session.
